- c) Each member (club) shall be the legal entity fully responsible for the football team participating in the NIFL and such entity (which may be a legal company, limited liability company, private members club (Registration of clubs order 1996) or other like unincorporated association) shall have been in membership of the Irish Football Association for a period of at least one year.

I. Procedures for club to change its legal entity

If any club wishes to change its legal entity, which is the recognised member of the Irish Football Association and the NIFL, it must submit full details of the proposed change to the IFA Football Committee and the NIFL Board.

All of the following rules apply in order to change a legal entity:

- (a) Any application to transfer a club's membership of the Irish Football Association to a new entity must be submitted in writing and sent by Special Delivery post to the Chief Executive, Irish Football Association, and the Chief Operating Officer, Northern Ireland Football League, at the registered offices of the IFA and the NIFL.
- (b) A club's membership of the Irish Football Association may only be transferred to the new entity with the advance written permission of the IFA Football Committee. Each case will be considered on its own individual merits.

II. Sanction for club experiencing an Insolvency Event

If any club in membership of the NIFL formally suffers, undergoes, or enters into one of the following insolvency events that club shall be deducted 10 points:

1. Administration (Creditor Driven) – normally Bank or large unsecured creditor.

For the avoidance of doubt, when a club is subject to more than one of the events in (II) during a process of compromising its creditors (for example Administration followed by a Company Voluntary Arrangement), the club shall only be deducted one set of 10 points, such deduction to apply with effect from the first insolvency event.

Notwithstanding the above, if a club suffers, undergoes or enters into a separate, distinct and further insolvency event as per (II) above, a further 10-point deduction shall be applied.

- b) Where clubs do not have adequate floodlighting, kick-off time shall be 2.00pm during the months of November, December and January.
- c) The kick-off times for all other matches shall be arranged by the NIFL Chief Operating Officer, unless otherwise agreed by the two clubs competing and approved by the NIFL Chief Operating Officer.
- d) Clubs failing to start at the appointed time may be fined at the discretion of the NIFL Premier Intermediate League Management Committee.

16. Pitch Inspections

- a) In the event of unfavourable weather conditions or concerns regarding the playing surface the home club must request the NIFL for an early inspection and must also notify their opponents not later than five (5) hours before kick-off. The match referee or an alternative referee appointed by the NIFL must inspect the ground at least three (3) hours or more previous to the advertised time of kick-off and shall decide as to the fitness of the ground, his/her decision being final after consultation with the Club Secretary and the NIFL
- b) No game shall be postponed without an inspection by a referee appointed by the NIFL, who shall take due cognizance of local advice and the travelling team and supporters.
- c) Notwithstanding the above, in the event of extreme weather conditions the NIFL Chief Operating Officer, in consultation with the NIFL Premier Intermediate League Chairman, may declare any match or matches postponed without a formal pitch inspection.
- d) Where possible the officially appointed match referee should carry out the pitch inspection but if he/she should not be available for an inspection then the NIFL will appoint an alternative official from a panel approved by the Committee, who will decide on the state of the pitch. If obviously 'playable' he/she will then declare their decision.

- e) In the event of the home club failing to request an early inspection the NIFL Premier Intermediate League Management Committee, or any appointed sub-committee or commission, shall be empowered to grant compensation to the visiting club for actual expenses incurred for such match.
- f) The Referee and Assistant Referees shall be paid half match fee and expenses for a postponed match which they have arrived at and inspected. Should another league appointed referee deem the ground unfit for play then he/she shall be paid £5 plus travelling expenses actually incurred.

18. Ranking of clubs

Teams shall be awarded 3 points for a win, 1 point for a draw and 0 points for a defeat. In the case of equality of points teams shall be ranked in accordance with the following criteria:

- ii. Goals scored in all matches
- iii. Superior points gained in matches between teams in question
- iv. Superior goal difference in matches between teams in question
- v. Drawing of lots by the NIFL Premier Intermediate League Management Committee.

19. Promotion and Relegation

- a) At the end of the season the club finishing at the top of the NIFL Premier Intermediate League shall be promoted to the NIFL Championship and the club finishing bottom of the NIFL Championship shall be relegated to the NIFL Premier Intermediate League.
- b) The club finishing in second bottom position in the NIFL Championship shall be obliged to play in a play-off against the club finishing in 2nd position in the NIFL Premier Intermediate League and the winner of the play-off, which will be on a 'home' and 'away' basis, will be promoted to or remain in (as the case may be) the NIFL Championship.
- c) If the winners of the NIFL Premier Intermediate League do not conform with the NIFL Championship Licence criteria they will not be promoted to the NIFL Championship, in this instance the club finishing in 2nd position in the NIFL Premier Intermediate League would then play against the club finishing bottom of the NIFL Championship

and the winner of that play-off, which will be on a 'home' and 'away' basis, will be promoted to or remain in (as the case may be) the NIFL Championship.

- d) If the club finishing in 2nd position in the NIFL Premier Intermediate League does not conform with the NIFL Championship Licence Criteria, then the Promotion/Relegation Play Off match will not be required and in such circumstances the bottom club in the NIFL Championship shall remain in the NIFL Championship.
- e) The loser of the play-off will be relegated to or remain in the NIFL Premier Intermediate League.
- f) The play-off matches to determine the final composition of the NIFL Championship shall be played on a date to be determined by the NIFL Championship Management Committee who will be responsible for all arrangements in respect of the play-off matches which will be played under the jurisdiction of the NIFL Championship.
- g) If any two teams involved in a play-off score the same number of goals over the two legs, two 15-minute periods of extra time will be played at the end of the second leg. If the score is still level after extra time, penalty kicks from the penalty mark in accordance with the Laws of the Game shall determine which team is declared the winner.
- h) The first match shall be played at the ground of the NIFL Premier Intermediate League Club whilst the second match shall be played at the ground of the NIFL Championship Club, unless otherwise agreed and confirmed in writing to the NIFL by both competing clubs.
- i) Notwithstanding the above criteria in respect of promotion and relegation the NIFL Championship Management Committee shall have full power to maintain a full membership of 12 teams in each Season, which may in exceptional circumstances require the selection of the top 12 ranked clubs who conform with the Championship Licence Criteria.
- j) In the event that the season should be required to halt due to unforeseen circumstances, and it is deemed not possible by government authorities, the Irish FA or NIFL Board to complete the season, the final standings will be determined in accordance with the 2021/22 Curtailment Policy as directed by the NIFL Board in advance of the season commencing.
- k) Promotion to the NIFL Premier Intermediate League shall be determined by means of a play off between clubs that have applied for membership by 31 December, whose ground meets NIFL approved criteria by 30th April in the year seeking promotion and that have won their respective intermediate leagues highest division (Northern Amateur Football League, Northern Ireland Intermediate League, Ballymena & Provincial League or the Mid Ulster Football League) in the year seeking promotion.

The format of the play off between applicant clubs shall be decided by the IFA Football Committee.

- l) Where any club believes that it will be in a position to qualify for promotion from either the Northern Amateur Football League, Northern Ireland Intermediate League, Ballymena & Provincial League or the Mid Ulster Football League to the NIFL Premier Intermediate League at the end of the current season they must apply to the NIFL Chief Operating Officer on the prescribed application form which will be available for download on the NIFL website (or on request) by 31st December along with advance payment of their league fee and meet the facilities criteria by 30th April.
- m) The NIFL Board shall be entitled to take into consideration if an applicant club has procedures in place which are compliant with NIFL regulations in regard to payments to players.
- n) Where there is only one such eligible applicant club, that club shall be promoted to the NIFL Premier Intermediate League.
- o) Ground sharing is permitted, but not in order to gain promotion or to avoid relegation. A ground sharing agreement in respect of the club seeking promotion must have been in place, and must be their registered ground, for at least one full season prior to making application for membership of the NIFL Premier Intermediate League and must be for a minimum of one year from the date of membership.
- p) The NIFL Premier Intermediate League Management Committee must approve any existing groundshare agreement.
- q) Where there is a ground share primacy of fixtures must be defined in the ground share agreement.
- r) Notwithstanding the above criteria in respect of promotion the NIFL Board shall have full power to maintain a full membership of 12 teams in each Season, which may in exceptional circumstances require an alternative process.

20. Resignation

Any club may resign from the League providing it notifies the Chief Operating Officer of the League by special delivery not later than 1 April of their intention to discontinue membership at the end of the current season.

21. Expulsion

If any club is expelled, or resigns from the NIFL Premier Intermediate League without the consent of the NIFL Premier Intermediate League the players who are registered with that club shall be granted 'free agent' status in accordance with the FIFA Regulations governing the Status and Transfer of Players. Clubs failing to notify the NIFL Chief Operating Officer on or before 1st April of their intention to discontinue membership of the Premier Intermediate

League shall forfeit the sum of £1000 from any monies due to the funds of the NIFL and shall also be liable as the NIFL Premier Intermediate League shall determine to pay their proportional share of any loss that may result to the League in the ensuing season by reason of the failure of such Club to give notice of withdrawal by the date aforementioned.

22. Substitute Players

- a) A club may at its discretion use five substitute players at any time in any match, except to replace a player who has been suspended from the game by the referee. The substitutions can be made in accordance with the Laws of the Game.
- b) Only five substitutions by each side will be permitted in any match and clubs may nominate up to a maximum of seven substitute players prior to the commencement of the match.
- c) Substitutions may only be made on at most 3 occasions during the game (excluding half time).
- d) Exceptionally, a sixth substitute may take part exclusively during extra time in any play off fixture outlined in Rule 19.
- e) A substitute player shall be construed as taking part in the game for which he was nominated only if he is required to play.
- f) Should any nominated player or substitute sustain an injury or become otherwise incapacitated after the submission of the team sheet to the referee and before the kick-off, he may be replaced provided that the referee and the opposing club are informed prior to kick-off.

23. Player Identification

- a) The players' shirts must be clearly numbered on the back and must correspond exactly with the instruction input into the IFA FMS system or the team sheet handed to the referee should the match venue not have a data signal.
